REQUIRED HEALTH INSURANCE

Westminster College is invested in the health and well-being of our students and therefore requires all students to have adequate insurance coverage. Westminster College works closely with an insurance broker to ensure the best rates and coverage for our students. All students are automatically enrolled in the College-sponsored plan each year and must opt out if eligible.

- **STUDENTS WHO ARE US CITIZENS and have health insurance coverage through parents or elsewhere will not be required to buy the College-sponsored plan, BUT MUST OPT OUT ONLINE EACH YEAR.**
- **YOU WILL BE BILLED AUTOMATICALLY FOR THE INSURANCE PREMIUM unless YOU OPT OUT!**

To opt out, the student needs to complete the online form at http://www.westminster-mo.edu/optout prior to the opt-out deadline, August 31st for fall enrollment and January 31st for spring enrollment.

The opt-out waiver must be completed once each school year.

Parents are encouraged to review insurance issues with their student before arrival on campus and to see that the student is given a copy of the insurance card to carry at all times. Should a student need care beyond the scope of the on-site clinic, such as x-rays, lab work or pharmaceuticals, the student will be responsible for the bill. For this reason, it would be in the student's best interest to have a list of preferred local providers if the coverage extends to the mid-Missouri region.

- **INTERNATIONAL STUDENTS are required to enroll in the College-sponsored health insurance plan (no exceptions).**
